Stephanie,

Students cannot log onto Blackboard and complete the attendance verification until August 14th. This is when professors are required to unlock their courses in Blackboard. We are not able to get those courses open any earlier. I recognize this isn't super convenient.

Perfect, thank you for that information!

We will facilitate getting the signed permission forms and approval for the course before August 11th. With your classes starting on August 14th, what day can they log in to Blackboard and confirm enrollment/attendance? We would like to have them complete the permissions and enroll via Blackboard simultaneously to reduce the times they're required to come to school.

I have attached the PSY 110 syllabus to this email.

As for the policy, your district adopted a human sexuality policy, so students WILL need to provide a signed parent permission slip for PSY 110.

Hope this helps!

I don't have the login for the syllabi. Could I get a copy of the PSY 110 syllabus? We have only a human sexuality policy, but part of all the KSBA policies on human sexuality speak to gender identity. I see PSY 110 listed on both. We need to know if our students can or can not take the classes with permission.

Thanks for any information!

Hey Stephanie!

I wanted to forward you this email I received from BCTC regarding SB 150 and Dual Credit classes. I was wondering if we could meet soon to discuss the logistics of this and the permission slips we will need to collect from students. We will also have to provide the syllabus for the course to the parent and student. I am wondering if we could do permission slips and get students connected on Blackboard all at the same time when we do figure out logistics (kind of knock two things out at once). There are some important dates in this email as far as having permission slips turned in to BCTC. I also have the link from Emma where we can look up at the syllabus to provide to the parent/student. Just let me know when you can meet (Monday and Tuesday are open for me right now for next week).

Thanks!
Caitlin A.

Good afternoon,

SB 150 has impacted the enrollment process for a number of BCTC courses this fall. Please, read the instructions and information below to be aware of the enrollment process for certain according to the SB 150 policy adopted by your school district.

Please, let me know if you have any questions or concerns.

Thank you!

BCTC Dual Credit Enrollment into SB 150 Courses Instructions

Each district that partners with BCTC for dual credit will need to communicate its SB 150 policy. The district SB150 Policy will determine which dual credit courses will need parental permission or which courses will be prohibited for dual credit enrollment under

For districts that have adopted a policy on human sexuality and sexually transmitted diseases, steps for dual credit enrollment are provided below:

1. Counselors will need to provide students and parents with a copy of the syllabi for the dual credit course. Syllabi are available in the BCTC Dual Credit Syllabi Bank Microsoft Teams.
 - a. Syllabi Bank Teams Link
 - b. The Syllabi Bank Teams can be accessed using your KCTCS username and password. A contact at each high school has been added to the BCTC Dual Credit Syllabi Bank Microsoft Teams.
 - c. *All high schools should have a member with affiliate access as it is required to submit transcripts. Please, reach out to Dr. Gibbs should you need a KCTCS username and password.*
2. Counselors will distribute parental permission forms for the dual credit course.
3. Students and Parents will need to review the syllabi for the course and complete a parental permission form.
4. Counselors will collect parental permission forms for dual credit courses.
5. Counselors will confirm with the BCTC Dual Credit office that parent permission has been received by the high school no later than August 14, 2023 for courses with an August 14 start date.

Dual Credit students will NOT be enrolled in any of the courses on the SB 150: Human Sexuality list until parental permission has been confirmed by the high school counselor with the BCTC Dual Credit Office.

Since SB 150 is new, some students have been enrolled in courses listed below without parental permission slips confirmed. We will provide you with the list of these students by August 1, 2023. Please let us know by August 10, 2023 if you have received parental permission. If not, we will remove students from the classes requiring parental permission by Friday, August 11, 2023.

FCS Teachers,

Good afternoon! The KDE published guidance for all emergency bills from the 2023 session this week. Senate Bill 150 is of particular interest to our Family and Consumer Sciences courses. **Pursuant to SB 150, effectively immediately, all content and instruction containing “human sexuality or sexually transmitted diseases” must be approved by a student’s parent or guardian.** Additional information and supplemental guidance for both SB 150 and SB 5 are included on the KDE Legislative Page.

Attached to this e-mail is a permission slip to be signed. Please use this permission slip in all courses that contain content of this nature for the remainder of this school year. All fields on the permission slip provided are required by SB 150. Please ensure that the instructor is completing the permission slip in its entirety. According to the law:

- A notification about the content and a permission slip must be sent at least two (2) weeks prior to the content being present in classroom instruction
- Parents/guardians are **not required** to review the content, but all materials must be made available for review upon request
- If the permission slip is not signed by the parent prior to the beginning of the content then the student must be given alternate instruction when any content containing human sexuality or sexually transmitted diseases is present

SB 150 also tasked each school/district with adopting a policy related to this legislation. This will be an item your district will need to address if you teach this content in *any* Family and Consumer Sciences course.

If you have questions about the permission slip or the required procedures for content notification and permissions, please let me know. I will do my best to find the appropriate answers.

Thank you for teaching the most important subject (FCS!!) on the planet to students.

Sincerely,

Kayla

Good afternoon!

We are adding two courses to our list of courses that require parental permission. **AHS 115 and AHS 105 will require a parent permission form to be completed before a student can be enrolled.** These syllabi are now available in the Syllabi Bank Teams Site.

Each school received a list of currently enrolled dual credit students. Students currently enrolled in AHS 105 and AHS 115 are reflected on those lists. These students will be dropped from the course on August 14th, 2023 if we do not receive confirmation from counselors that parent permission has been received.

Please, let me know if you have any questions or concerns.

Thank you,

Dr. Gibbs

The procedure for confirming parent permission with the Dual Credit Office at BCTC is outlined below. You may confirm the parent's permission through communication with your point of contact in the Dual Credit Office at BCTC.

Please let us know by August 11th, 2023 if you have received parental permission. If not, we will remove students from the classes requiring parental permission by Monday, August 14, 2023.

For districts that have adopted a policy on human sexuality and sexually transmitted diseases, steps for dual credit enrollment are provided below:

1. Counselors will need to provide students and parents with a copy of the syllabi for the dual credit course. Syllabi are available in the BCTC Dual Credit Syllabi Bank Microsoft Teams.
 - a. Syllabi Bank Teams Link
 - b. The Syllabi Bank Teams can be accessed using your KCTCS username and password. A contact at each high school has been added to the BCTC Dual Credit Syllabi Bank Microsoft Teams.
 - c. *All high schools should have a member with affiliate access as it is required to submit transcripts. Please, reach out to Dr. Gibbs should you need a KCTCS username and password.*
2. Counselors will distribute parental permission forms for the dual credit course.
3. Students and Parents will need to review the syllabi for the course and complete a parental permission form.
4. Counselors will collect parental permission forms for dual credit courses.
5. Counselors will confirm with the BCTC Dual Credit office that parent permission has been received by the high school no later than August 14, 2023 for courses with an August 14 start date.

Dual Credit students will NOT be enrolled in any of the courses on the SB 150: Human Sexuality list until parental permission has been confirmed by the high school counselor with the BCTC Dual Credit Office.

Please, let me know if you have any questions or concerns.

Thank you,

Dr. Gibbs

David, I think it would be a good idea to sit down and discuss your SB150 rollout with your staff. I want to make sure you are 100% comfortable and can give consistent guidance on questions that some of your staff may ask or we have already answered. Let me know what times work for your schedule if you want to meet. Thanks, Steve--

Absolutely. When you say staff, I'm assuming you're talking about the administration staff correct? Or were you thinking counselors and teachers also.

If we could work something out Thursday of this week, that would be great. I think all of them will be working as far as the principal team.
